## **GIRAFFE FEEDING STATION**

You will get the thrill of your life feeding the giraffes. An enormous head comes swooping out of the sky so swiftly you almost fall over in surprise. As you hold your hand out to offer the sprig of leaves, a long tongue comes out and wraps around the leaves in your hand, and then just as quickly as it came out, it is gone. Then the head whooshes up again, leaving you feeling very short and earthbound, and with a slightly sticky hand.

## **SEA LION SHOW**

This is your opportunity to watch Fresno Chaffee Zoo's talented sea lion, Pismo, and our wonderful harbor seal, Buck, as they demonstrate a variety of impressive behaviors. You will appreciate the grace, playfulness, and intelligence of our seal and sea lions. You will discover why they get their name with their loud roars, barks, and honks. They put on a fascinating show.
