COOL ZOO

FRESNO, Ca. – Fresno Chaffee Zoo will be an even cooler place to spend the day on Saturday, July 25 when the animals receive a variety of icy treats and opportunities to frolic in water. Some creatures prefer their “popsicles” to be fruity, the sea lions naturally like ice blocks filled with fish, and the big cats have a taste for frozen blood. The flamingos and Galapagos tortoises will enjoy the cool benefits of strategically placed sprinklers, and the elephants will receive a pachyderm size shower from a fire hose.

Cool Zoo activities are part of the Zoo’s enrichment program which is designed to stimulate natural behaviors in the animals such as foraging and play. Activities will take place throughout the day according to the following schedule:
